Love has got me caught up
Drives me to adore
Every little piece inside
Knocking at your door

Tell me, tell me, tell me
Can't you see the signs
Written by a maniac
Cause love has made me blind

Can't deny
Your poison gets me high
Just a little taste
Shook my life
And hit me like a drum

Hey, hey, hey
I fell the mambo aeya
A mambo aeya
You make my heart move
Hey, hey, hey
Just like a mambo aeya
I 'll let it out
Mambo aeya

You are my obsession
Stuck into my heart
Never let you hit and run
Never set apart

Do it, do it, do it
Come and save tonight
Awake a bit of fantasy
And take a little bite

Can't you see
Your love addicted me
Just a little taste
Shook my life
And hit me like a drum

Pay the game

'N get me hypnotized
Wanna feel the vibe
So hey now Mr Wiz
Get the magic done
Let me sway up high
Baby here I am
