Say what you mean and what you say
And if you really love me
Stop, and turn away
From what you do
If you don't want to hurt me
Cause I can't go on
I can't go on

Okay okay I am crazy about you
Okay okay I can't live without you
Okay okay I admit that I love you
Okay, I'll do anything for you
Oh oh

There was a time
We used to live
Used to believe in each other now
Now, those days are gone
And we're both wrong
And now we don't even bother
And I can't go on
I can't go on

Okay okay I am crazy about you
Okay okay I can't live without you
Okay okay I admit that I love you
Okay, I'll do anything for you

[Music]

Okay

Okay okay I am crazy about you
Okay okay I can't live without you
Okay okay I admit that I love you
Okay, I'll do anything for you
