I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby

Let's go outside (let's go outside) in the sunshine  
I know you want to, but you can't say yeah  
Let's go outside in the moonshine  
Take me to the places that I love best

So my angel, he says, don't you worry  
'Bout the things they 're saying, yeah  
Got no friends in high places and the game that you  
gave away  
Wasn't worth playing

Let's go outside in the sunshine  
I know you want to, but you can't say yeah  
Let's go outside in the meantime  
Take me to the places that I love best

And yes, I've been bad  
Doctor, won't you do with me what you can  
You see I think about it all the time, twenty-four seven  
(Twenty- four, twenty-four seven)

You say you want it, you got it  
I never really said it before  
There 's nothing here, but flesh and bone  
There 's nothing more, nothing more  
There 's nothing more, oh, oh, oh

Back to nature, just human nature

You say you want it, you got it  
I never really said it before  
There 's nothing here, but flesh and bone  
There 's nothing more, nothing more  
There 's nothing more, oh, oh, oh

You say you want it, you got it  
I never really said it before  
There 's nothing here, but flesh and bone

There 's nothing more, nothing more  
There 's nothing more, oh, oh, oh

Back to nature, just human nature  
I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby

Let's go outside
