How can you not tell the feeling?  
Imagine just the two of us - yeah  
How can you not tell the feeling?  
I think I 've made it obvious - well

Here 's a little clue  
Tell you what to do  
Here 's a little clue  
Think of me and you  
No one else around  
Come and do it now - yeah

Somebody 's burning baby  
Can't you feel it  
Somebody 's burning baby  
Can't you see it  
Somebody 's burning baby  
Call a doctor  
Somebody 's burning baby  
Get some water  
The situations getting hard to handle  
I want you more than any Marlon Brando  
Somebody 's burning baby  
Get some water  
And put the fire out

How can you not tell the feeling?  
Well maybe I should spell it out yeah  
L.O.V.E. what I 'm needing  
But you go round the round - about

Here 's a little clue  
Tell you what to do
