I said that we were meant to be together
I haven't lost my faith in me and you
If we could only try and make it better
Give our love a chance to make it through
I wonder why

Why can't we give each other our love
Unconditional true love
Look inside us
for the light in our soul

Why can't we heal each others heart
Never let us fall apart
Look inside us for the light in our soul
The light in our soul

The light in our soul
The light in our soul

The light in our soul...
