Go! When she moves I'm
Talking lights camera action!
She's the queen of the scene
And you know she can pull
A hit and run with a passion call it a sin, but she is in
control

La la la la la la la...

Have your screaming yes
The way she says
Voulez vous-Mon Amour
Come dance with me
And i'll dance for you
Voulez vous-Mon Amour
A night for two, like i do, do, do

Hey! Big and small
She's got
With her game of hide and seek
Like a slave
Have your achy breaky heart
In choke hold
Get it while it's hot
Cause she is popular

La la la la la la la...

Who could her no
The way she goes
Voulez vous-Mon Arour
Come dance with me
And I'll dance for you
Voulez vous-Mon Amour
A night for two, like I do, do, do

Hey ya, hey ya-Heartbreaker
She's a breather
Shw will wear you out...
Make you spend
Like there's no end
Leave you dry, wondering why

And where she went...
Voulez vous-Mon Amour
Come dance with me
And I'll dance for you
Voulez vous-Mon Amour
A night for two
Like i do, do, do
Voulez vous-Mon Amour
Come dance with me
And I'll dance for you
Voulez vous-Mon Amour
Spend a night for two
Like i do, do, do!
