NÅr stormen setter til
og uvÅr river trÅr fra stammen
Da, sÅnn rundt nattestid er
det Odin hunder samles

Du kan hÅre oss nÅr mÅnen stikker
frem Men aldri om du ser oss fÅr du
blir en kriger selv

Jegeren leder oss vi er fÅdt til Å sloss
Over fjell og fjorder gjennom trolske skoger

Odins jakt Å...sgÅrdsreien

Odins hunder Einherjen

[English translation:]

[Asgardsreien]

When the storm sets and tear trees apart
Then, around the darkest hours the dogs of Odin will
gather

You can hear us when the moon appear above
But you will never see us
before you become a warrior yourself

The hunter leads us we are born to fight
Over mountains and fjords
through enchanted forests

Odins hunt Asgardsreien
Odins dogs Einherjen
