2000 years ago has been enough, it's time to cast out
Christian thought
The worship of a bastard is absurd, these ways must
be fought
No more confessions or worthless prayers, guilt and
faith we don't need
Rely upon thy self, not some idol god, self preservation
is key

Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ

Adam and Eve were just a myth, evolution shows the
proof
The meek shall never inherit the earth, Darwin, he
wrote the truth
The words "Thou shalt" are for slaves not for those who
rise above
Love thy neighbor" is a fuckin' joke for few are worthy
of my love

Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ

Purification day has arrived, the Jesus freaks are
revealing their ways
Soon the masses will wake up, that will be the Church's
final days
Every empire that has stood strong has fallen in the
past
Christianity is no exception, it's godly reign will never
last

Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
Fuck the ways of Christ, fuck the ways of Christ
