Hands over my head thinking
What else could go wrong
Would've stayed in bed
How could a day be so long?

Never believe that things
Happen for a reason
But how this turned out
Removed all my doubt so believe

That for you I'd do it all over again
Do it all over again
All I went through led me to you
So I'd do it all over again for you

I missed the first train stood out
In the rain all day
(Little did I know)
But I caught the next train
And there you were to sweep me away
Guess that's what I waited for

Never believed that things
Happen for a reason
But how this turned out
Removed all my doubt

So believe that for you
I'd do it all over again, do it all over again
All I went through led me to you
So I'd do it all over again

Oh, who ever thought a day gone
So wrong could turn out so lovely
Yeah, I'm so glad I found you
Even though the day went so wrong
I wouldn't change a thing

Yeah, yeah, I'ma do it
Do it all over again
Do it all over again
All I went through led me to you

So I'd do it all over again

Do it all over again, I'd do it all over again

I'd do it all over again for you

All I went through led me to you

So I'd do it all over again for you

Whoever thought a day gone so wrong

Could turn out so lovely

Whoever thought a day gone so wrong

Could turn out so lovely
