And I don't mind when we fall out
Long as we fall back into it
I hope we never put an end to it
Even though you not that into it
Heaven, have you ever been to it?
Cause you look live you've never been
You more like a hell's angel
And for you i'd rather sin
Broken heart love you with a broken heart
For you i'll jump off Noah's ark
Love is blind and hope is dark
Why does pain feel so good
Love is science
Live for you die for you
And i'll die smiling

Easy come, easy go
That's just how you live, oh
Take, take, take it all,
But you never give
Should of known you was trouble from the first kiss
Had your eyes wide open
Why were they open?
Gave you all I had
And you tossed it in the trash
You tossed it in the trash, you did
To give me all your love is all I ever asked
Cause what you don't understand is

I'd catch a grenade for ya (yeah, yeah, yeah)
Throw my hand on a blade for ya (yeah, yeah, yeah)
I'd jump in front of a train for ya (yeah, yeah, yeah)
You know I'd do anything for ya (yeah, yeah, yeah)
Oh, oh
I would go through all this pain
Take a bullet straight through my brain
Yes, I would die for ya baby
But you won't do the same

No, no, no, no
Black, black, black and blue beat me till I'm numb

Tell the devil I said "hey" when you get back to where
you're from

Mad woman, bad woman
That's just what you are, yeah,
You'll smile in my face then rip the brakes out my car
Gave you all I had
And you tossed it in the trash
You tossed it in the trash, yes you did
To give me all your love is all I ever asked
Cause what you don't understand is

I'd catch a grenade for ya (yeah, yeah, yeah)
Throw my hand on a blade for ya (yeah, yeah, yeah)
I'd jump in front of a train for ya (yeah, yeah, yeah)
You know I'd do anything for ya (yeah, yeah, yeah)
Oh, oh
I would go through all this pain
Take a bullet straight through my brain
Yes, I would die for ya baby
But you won't do the same

If my body was on fire, ooh
You'd watch me burn down in flames
You said you loved me you're a liar
Cause you never, ever, ever did baby

But darling I'll still catch a grenade for ya (yeah, yeah,
yeah)
Throw my hand on a blade for ya (yeah, yeah, yeah)
I'd jump in front of a train for ya (yeah, yeah, yeah)
You know I'd do anything for ya (yeah, yeah, yeah)
Oh, oh
I would go through all this pain
Take a bullet straight through my brain
Yes, I would die for ya baby
But you won't do the same
No, you won't do the same
You wouldn't do the same
Ooh, you'll never do the same
No, no, no, no
