Never had much faith in love or miracles  
Never wanna put my heart on the line  
But swimming in your world is something spiritual  
I'm born again every time you spend the night

'Cause your sex takes me to paradise  
And it shows  
'Cause you make feel like I've been locked out of heaven  
For too long, for too long

You bring me to my knees, you make me testify  
You can make a sinner change his ways  
Open up your gates 'cause I can't wait to see the light  
And right there is where I wanna stay

'Cause your sex takes me to paradise  
And it shows  
'Cause you make feel like I've been locked out of heaven  
For too long, for too long

Can't I just stay here?  
Spend the rest of my days here?  
Can't I just stay here?  
Spend the rest of my days here?

'Cause you make feel like I've been locked out of heaven  
For too long, for too long  
You make feel like I've been locked out of heaven  
For too long, for too long
