There's only so many songs that I can sing  
To pass the time

And I'm running out of things to do  
To get you off my mind  
Ooh...

All I have is this picture in a frame  
That I hold close to see your face everyday

With you is where I'd rather be  
But we're stuck where we are  
And it's so hard, you're so far  
This long distance is killing me

I wish that you were here with me  
But we're stuck where we are  
And it's so hard, you're so far  
This long distance is killing me

It's so hard, it's so hard  
Where we are, where we are  
You're so far  
This long distance is killing me  
It's so hard, it's so hard  
Where we are, where we are  
You're so far  
This long distance is killing me

Now the minutes feel like hours  
And the hours feel like days  
While I'm away

Ya know right now I can't be home  
But I'm coming home soon  
Coming home soon

All I have is this picture in a frame  
That I hold close to see your face again  
Oh!

With you is where I'd rather be

(Where I'd rather be)  
But we're stuck where we are (Oh)  
And it's so hard (Oh)  
You're so far (Oh)  
This long distance is killing me

I wish that you were here with me  
(You were here with me)  
But we're stuck where we are (Oh)  
It's so hard (Oh)  
You're so far (Oh)

Can you hear me crying?  
(Ooohhh... ooohhhh...)  
Can you hear me crying?  
(Ooohhh... ooohhhh...)  
Can you hear me crying?  
(Ooohhh... ooohhhh...)

With you is where I'd rather be  
(Where I'd rather be)  
But we're stuck where we are (Oh)  
And it's so hard (Oh)  
You're so far (Oh)  
This long distance is killing me

I wish that you were here with me  
(You were here with me)  
But we're stuck where we are (Oh)  
And it's so hard (Oh)  
You're so far (Oh)  
This long distance is killing me

It's so hard, It's so hard  
Where we are, where we are  
You're so far  
This long distance is killing me  
It's so hard it's so hard  
Where we are, where we are  
You're so far  
This long distance is killing me

There's only so many songs that I can sing  
To pass the time
