1, 2, 3 ooohh  
He drives a motorcycle, tattoo's everywhere  
He got a long wrapped sheet, that's right my baby ain't  
scared  
And when he talks that talk, he can back it up, ooh  
And when he comes there to it, can nobody come  
between our love

I know some girls like good boys,  
But they just move too slow  
You see, I like dangerous it gives me such a rush  
That's why I won't let you go

Ohh no,  
I know loving you is so wrong  
But hiding you just seems so unfair  
So I'm a take you home even though  
You're my mamas worst nightmare

He drinks his Jack with no Cola, cause he likes to feel  
the burn  
His middle finger to the law, no this boy will never learn  
Everything around that bottom yeah, turns me on  
We live the good life, sleep all day and party all night  
long

I know some girls like good boys,  
But they just move too slow

You see, I like dangerous it gives me such a rush  
That's why I won't let you go

Ohh no,  
I know loving you is so wrong  
But hiding you just seems so unfair  
So I'm a take you home even though  
You're my mamas worst nightmare

Say what you want, but this boy gives me everything  
He'll never hurt me ?  
Mamma don't you be scared, your baby girl is grown  
And I fallen in love

Ohh no,  
I know loving you is so wrong  
But hiding you just seems so unfair  
So I'm a take you home even though  
You're my mamas worst nightmare
