Everyday i wake up next to an angel  
more beautiful than words can say  
they said it wouldnt work but what did they know ?  
cause years have passed and were stil here today  
never ...in my dreams did i think  
that is woluld happen to me  
as i stand here before my woman ..  
i cant fight back the tears in my eyes  
oh how could i be so lucky  
im must have done something right  
and i promise to love her for the rest of my life.  
seems like yesterday when she first said hello  
funny how time flies when your in love

it took us a life time to find eachother  
it was worth the wait caus i fuinally foudn the one  
never in my dreams did i think that this would happen  
to me

as i stand here before my woman  
i cant fight back the tears in my eyes.  
oh how could i be so lucky  
i must have done something right.  
and i promise to love her for the rest of my life.
