i gotta find my way out of this hell, you got me into,
my baby's sleepin and the night is dead,
it's like i'm dreamin that walls are closing in on me,
i just wanna know you care.

i wanna find out why, you didnt choose to stay,baby,
you got me going crazy

ooo... my baby she got me oh no... she left me a
prisoner inside my words, ooo..... my baby she got me
oh no.. she locked me in prison like a criminal

everyday's the same, your word, lied away, when all
you go and done isnt me, i can see you now, your long
brown hair and your white wedding gown, baby im
missing you...

i wanna find out why, you didnt choose to stay oh..., oh
ya...,

ooo... my baby she got me oh no... she left me a
prisoner inside my words, ooo... my baby she got me
oh no.. she locked me in prison like a criminal

i can't stop this, all this daydreaming , i gotta do my
time... i ooo... i can't get out, i don't wanna feel this
way, save me from this misery...

i wanna find out why, you didnt choose to stay, baby...,
you got me going crazy...

ooo... my baby she got me oh no... she left me a
prisoner inside my words, ooo..... my baby she got me
oh no.. she locked me in prison like a criminal

i promise to love ya, hold ya, even when time got hard
and i can still see us being forever, but now we're
falling apart...

i wanna find out why, you didnt choose to stay, baby...
you got me, ooo... my baby she got me oh no... she left
me a prisoner inside my words, ooo..... my baby she
got me oh no.. she locked me in prison like a criminal
