Oh yeah, oh yeah baby here we are again

I can see it in your eyes, you want a good time
You wanna put your body on mine
Alright but don't change your mind, don't you change
it, oh no

Oh yeah you called me today, your brother's ways
So don't let this bus go too way
So no, your pleasure pleasure island is where we can
go
No I won't think you're easy, no I won't think you're fast
Your eyes say amazing, but your lips came to ask
No need to fight it, when you know it feels alright
You say you're a woman who knows what she likes

Then show me, you gotta, you gotta show me
And tell me all day that you lonely
But show me show me show me tonight, yeah
Girl show me, you gotta, you gotta show me
And tell me all day that you lonely
But show me show me show me tonight, yeah

Love the way that you laugh, the way that you smile
Makes me feel like you been waiting a while
But guess what darling, I been waiting too
So let's run, we can get freaky tonight
Right is your ticket to ride
Tell me girl what you gon do

No I won't think you're easy, no I won't think you're fast
Your eyes say amazing, but your lips came to ask
No need to fight it, when you know it feels alright
You say you're a woman who knows what she likes

Then show me, you gotta, you gotta show me
And tell me all day that you lonely
But show me show me show me tonight, yeah
Girl show me, you gotta, you gotta show me
And tell me all day that you lonely
But show me show me show me tonight, yeah

It's getting freaky in this room room room
Now let me hear you say you want that boom boom
boom
We can take it slow, we can zoom zoom zoom
Baby if you're ready for that ah ah ah

It's getting freaky in this room room room
Now let me hear you say you want that boom boom
boom
We can take it slow, we can zoom zoom zoom
Baby if you're ready for that ah ah ah

Then show me, you gotta, you gotta show me
And tell me all day that you lonely
But show me show me show me tonight, yeah
Girl show me, you gotta, you gotta show me
And tell me all day that you lonely
But show me show me show me tonight, yeah
