I know you're somewhere out there
Somewhere far away
I want you back
I want you back
My neighbours think
I'm crazy
But they don't understand
You're all I have
You're all I have

Chorus:
At night when the stars
light on my room
I sit by myself
Talking to the Moon
Try to get to You
In hopes your on
the other side
Talking to me too
Oh Am I a fool
who sits alone
Talking to the moon

I'm feeling like
I'm famous
The talk of the town
They say
I've gone mad
Yeah
I've gone mad
But they don't know
what I know
Cause when the
sund goes down
someone's talking back
Yeah

They're talking back
Chorus:
At night when the stars
light on my room
I sit by myself
Talking to the Moon

Try to get to You
In hopes your on
the other side
Talking to me too
Oh Am I a fool
who sits alone
Talking to the moon

Ahh...Ahh...Ahh..
Do you ever hear me calling
(Ahh...Ahh..Ahh..)
Ho Hou Ho ho Hou

'Cause every night
I'm Talking to the Moon

Still try to get to You
In hopes your on
the other side
Talking to me too
Oh Am I a fool
who sits alone
Talking to the moon

Ohoooo...

I know you're somewhere out there
Somewhere far away
