Truth of the matter is I'm complicated
You're as straight as they come
You go 'bout your day, baby
While I had from the sun

It's better if you don't understand
'Cause you won't know what it's like
Until you try

You know I, I've been waiting on the other side
And you, all you gotta do is cross the line
I could wait a whole life time but you just gotta decide
You know I, I've been waiting on the other
Waiting on the other side

We would live forever
Who could ask for more
You could die if you wanted
But baby, what for?

It's better if you don't understand
And you won't know what it's like
Until you try

You know I, I've been waiting on the other side
And you, all you gotta do is cross the line
I could wait a whole life time but you just gotta decide
You know I, I've been waiting on the other
Waiting on the other side

If they say life's a dream call this insomnia
'Cause this ain't Wonderland, it damn sure ain't Narnia
And once you cross the line, you can't change your
mind
Yeah, I'm a monster but I'm no Frankenstein

And quite frankly
I've been feeling insane in between my eyes
I really can't explain what I feel inside
If you knew what I was, you'd run and hide

Many have tried to go into the night

Cross over the line and come back alive
But that's the price we pay
When we living on the other side

You know I, I've been waiting on the other side
And you, all you gotta do is cross the line
I could wait a whole life time but you just gotta decide
You know I, I've been waiting on the other
Waiting on the other side

It's better if you don't understand
It's better if you don't understand
It's better if you don't understand
It's better if you don't understand
It's better if you don't understand
It's better if you don't understand
