Intro (J. Reyez):

Alright, I do this for all of you.

I make music for love, the love of everything.

J. Reyez... Bruno Mars...

C'mon!

Verse 1 (J. Reyez):

When I wake up next to you girl

It's like a dream and I'm stuck in two worlds

You're beautiful and you're always shining

your happiness to me is worth more than diamonds

Many people are there, but you're worth keeping

the same letters, three words and one meaning

I love you, but we have our little arguments

that don't stop until we forgot who started it

I blank out and the thoughts around in me

you and I, everytime you smiled at me

And I'm blessed, god's gift to me is you

your eyes, the world I see in you

and time never goes to waste,

don't change, cuz you can never be replaced

this love, you can never rearrange

everytime when I see your face.

Refrain (Bruno Mars):

When I see your face

there's not a thing that I would change

Cuz you're amazing

just the way you are

And when you smile

the whole world stops and stares for a while

cuz girl you're amazing

just the way you are.

Verse 2 (J. Reyez):

Just the way you express with "ing" girl

You're nothing short of my everything

And every memory so sentimental

your happiness is my essential

This a way for me to say thanks

no stress, I want you to give me strenght
when I'm hurting, you're so close to perfect
but to the world you're just one person
but to that person you mean the world is just
how we ride, me and my girl, uhh.
we do this Bonnie and Clyde shit
we fall together, we coincided
the way to my heart it was hard to find it
but you found dead deep down inside of this love
you can never rearrange,
everytime when i see your face.

Refrain (Bruno Mars):

When I see your face
there's not a thing that I would change
Cuz you're amazing
just the way you are
And when you smile
the whole world stops and stares for a while
cuz girl you're amazing
just the way you are

the way you are (x2)
girl you're amazing, just the way you are

When I see your face
there's not a thing that I would change
Cuz you're amazing
just the way you are
And when you smile
the whole world stops and stares for a while
cuz girl you're amazing
just the way you are
yeah-ahh.
