Now Hollywood wants to make you think they know  
what love is.  
But I'm a tell you what true love is.  
Love is not what you see in the movies.  
It's not the ecstasy, it's not what you see in that scene  
You know what I mean? I'm telling you right now, true  
love is sacrifice.  
Always thinking my mind it's waiting for you if you  
crossing the  
This love is true, now are we alive  
And I know that you gone, so gone  
The signs I got, this feeling  
Cause what I found, this is deeper than life  
I know that I get lost in this feeling  
I can see all in me, all in me, all in me

[Chorus] x 2  
I'll put you in front of me  
So everybody can see  
My love, this is my love  
I know that I'll be alright  
As long as you are my guide  
My love, this is my love

Therefore, a thought in my heart, could that be  
searching for you  
An universe for 2, so please ride through  
Now I'm away and you see that it's fate, it's fate  
The signs I got, this feeling  
Cause what I found, this is deeper than life  
I know that I get lost in this feeling  
I can see all in me, all in me, all in me

[Chorus] x 2  
I'll put you in front of me  
So everybody can see  
My love, this is my love  
I know that I'll be alright  
As long as you are my guide  
My love, this is my love.
