It's your boy Bruno  
Imma take ya to the top girl, hey  
Top of the world. you ready?  
C'mon (let's go)

I feel higher than the ceiling  
Cause I'm floating on this feelin'  
So long my feet have been up off the floor  
Destiny is what I call it  
My Heart's for sale and girl you bought it  
The moment that you walk right through the door ooh

Till the day that I stop livin'  
Girl my love I won't stop givin'  
Cross my heart and hope to die my love is yours  
And I pray girl that this feeling  
Is something that we always feelin'  
If you're with it girl, hear me girl  
This is what I'll do

I will give you the world  
Put it in your hands  
Cause I ain't never felt this way before

On top of the world  
Is where we'll stand  
You just say the word and girl it's yours

Ha ooooh it feels so good baby yeah  
??

And to me you're like a flower  
It's a blessing every hour  
And I get to spend this time with you  
And I won't take you for granted next to you is where I'm standing  
Girl you're a dream come true

Till the day that I stop livin'  
Girl my love I won't stop givin'  
Cross my heart and hope to die my love is yours  
And I pray girl that this feeling  
Is something that we always feelin'  
If you're with it girl, hear me girl  
This is what I'll do

I will give you the world

Put it in your hands  
Cause I ain't never felt this way before (cause I ain't never felt this way before)

On top of the world  
Is where we'll stand (where we'll stand girl)  
You just say the word and girl it's yours (the word and girl its yours)

Just take my hand ooh  
We can float to the sky, baby just you and I  
Never let you go  
Just take my hand  
So many things I wanna show you girl  
While we're on top of the world

I will give you the world  
Put it in your hands  
Cause I ain't never felt this way before (cause I ain't never felt this way before)

On top of the world  
Is where we'll stand  
You just say the word and girl it's yours (you just say the word and girl its yours)

I will give you the world  
Put it in your hands  
Cause I ain't never felt this way before (cause I ain't never felt this way before)

On top of the world  
Is where we'll stand  
You just say the word and girl it's yours

It's all for you girl  
It's all for you  
Let's go
