Ah Ah I Dont Know Why Why
It Seems Like Every Other Night You Pick A Fight Fight
You I Be Doing The Same
Calling Out Your Name
This Is Not What Lovers Are Supposed To Do Do
You Tell Me To Go I Start Walking Out
We Both Know What We're All about
We First Fight and Scream But Its All Cecause Of Love
But We Aint Never Giving up

Everytime I Try To Leave Something Tells Me Turn
Around
Cause How Could I Ever Leave The Only One That Holds
Me Down
Cause I Know We Can Work It Out Work It Out
Talk It Out Talk It Out
Stick It Out Stick It Out Oooh
Everytime I Try To Leave I Know We Can Figure It Out
Thats Why I Always Turn Around

Before You Say Say
Something Youll Take Back Today Day
Sometimes You Drive Me Crazy But I Love You Babe
All I Ask Is That You'll Always Appreciate Me

You Tell Me To Go I Start Walking Out
We Both Know What We're All about
We First Fight and Scream But Its All Because Of Love
But We Aint Never Giving up

Everytime I Try To Leave Something Tells Me Turn
Around
Cause How Could I Ever Leave The Only One That Holds
Me Down
Cause I Know We Can Work It Out Work It Out
Talk It Out Talk It Out
Stick It Out Stick It Out Oooh
Everytime I Try To Leave I Know We Can Figure It Out
Thats Why I Always Turn Around

Aint Nobody That Could Love Me
Like You Love Me

Thats Why I Always Turn Around
For you You Y-You You You....

Aint Nobody That Could Love Me
Like You Love Me
Thats Why I Always Turn Around
For you You Y-You You You....

Everytime I Try To Leave Something Tells Me Turn
Around
Cause How Could I Ever Leave The Only One That Holds
Me Down
Cause I Know We Can Work It Out Work It Out
Talk It Out Talk It Out
Stick It Out Stick It Out Oooh
Everytime I Try To Leave I Know We Can Figure It Out
Thats Why I Always Turn Around
