She Got It She Looking Good
Im Just Watching Her Move

She Walks On In With Her Retros On
Her Lips As Bright As The Sun
Her Curves Goes Every Which Way
Got Skin Like Porcelien
The Way Her Hair Falls Down Her Back
Billy Accents Her Tattoo?
(Are You Talking To Me?)
The Way Her Hair Falls Down Her Back
Billy Accents Her Tattoo?
(Are You Talking To Me?)
Her Legs like A Supermodel
She Worn For Them High Heel Boots

She Got Every Single Guy In The Club Just Watching Her
Move
And She Dont Wanna Dance With Anyone Let Her Do
What She Do
She Got Every Single Guy In The Club Just Watching Her
Move
And She Dont Wanna Dance With Anyone Let Her Do
What She Do

Just Watch Her Get It (Get It...)
Just Watch Her Move

She Pulls Me To The Side
Tells Me She Wants To Go
I Say Girl Im Yours Tonight
After This Im Taking You Home
First And For Most I Dance With You
Get You In The Mood
Maybe Later Baby Girl Ill Show You Exactly How I Do

She Got Every Single Guy In The Club Just Watching Her
Move
And She Dont Wanna Dance With Anyone Let Her Do
What She Do
She Got Every Single Guy In The Club Just Watching Her
Move

And She Dont Wanna Dance With Anyone Let Her Do
What She Do

Just Watch Her Get It (Get It...)
Just Watch Her Get It (Get It...)

God Baby
You look Good
You Sexy
Watch Her Move
Watch Her Move

She Got Every Single Guy In The Club Just Watching Her
Move
And She Dont Wanna Dance With Anyone Let Her Do
What She Do
She Got Every Single Guy In The Club Just Watching Her
Move
And She Dont Wanna Dance With Anyone Let Her Do
What She Do

Just Watch Her Get It (Get It...)
Just Watch Her Get It (Get It...)
Look At Her Get It
Just Watch Her
Watch Her Move
Ooh
