"Creepy and sullen and running out of room  
In my little tomb, my little tomb  
I'll plant a seed there to remember you  
at the may fair with your long ass curly hair

We had a pirate band, a tear for every grain of sand  
and i was fighting with my hands. Oooooo

This came up wilted and looks like you  
cause it never grew, it never grew  
This one is scrawny, it looks like me  
cause it's dirty and i'm so dirty too

We had a pirate band, a tear for every grain of sand  
and i was fighting with my hands... OVER YOU  
beautiful thing, you are the most beautiful thing

flower of life, bird of spring, you are the most beautiful  
thing

Locus flower -- grow out of bounds  
Locus flower -- grouw out of (the under) ground

Some say its like a beautiful flower  
some say it is a terrible power  
I'll meet you at the end of the hour  
I want to use, i want to use that power

FEED ME, feed me, feed me  
you are the most beautiful thing  
you are the most beautiful thing  
flower of life, bird of spring  
you are the most beautiful thing..
