Waltz inside, bargain bin lingerie, second floor
Girl I wanna walk the floors of your department store
Cancelled check I wanna know cause I have to pay
Wrap you up and take you home, don't want no layaway

Everybody wants a piece of paradise
Well you can look she said
But please don't touch the merchandise
No, no, don't touch the merchandise

Please baby, quality, top of the line
Heart and soul, break the mold, she's one of a kind
No repossesses necessary, satisfaction gaurenteed
She's everything you'd ever want, everything you need,
hey!

Everybody wants a piece of paradise
Well you can look she said
But please don't touch the merchandise
No, no, don't touch the merchandise
