Feel the fire

Oh yeah!

Feels too hot, too hot to trot
She said feel the fire

Hands are cold and a Devil's soul
She said feel the fire

I know it's a sin and I know it's the law
But she said feel the fire

Love is precious and love is blind
She said feel the fire

Watch the flames get higher
She's got me burning with desire

Feel the fire
Feel the fire
(C'mon!) Feel the fire
Feel the fire

She led me in to a possum's pack
She said feel the fire

I did no mimicry and I did no sin
She said feel the fire

Watch the flames get higher
She's got me burning with desire

Feel the fire
Feel the fire
(C'mon!) Feel the fire
(You gotta) Feel the fire

Feel it!

Watch the flames get higher

She's got me burning with desire

Feel the fire
Feel the fire
(You gotta) Feel the fire
Feel the fire

Come on
(Feel the fire)
Ooh you got to feel it
(Feel the fire)
Yeah, you know you need it
(Feel the fire)
Watch the flames get higher
(Feel the fire)
She's got me burning with desire
Yeah
Alright
