Gun was loaded and in her hand  
(Shot full of love)  
She was squeezin' the trigger, it went bang  
(Shot, shot)  
Hit and run murder in the first degree  
(Shot full of love)  
I need the doctor, emergency  
(Shot, shot)

I'm in critical condition  
It's a life and death situation

Shot full of love  
(Shot full of love)  
I been shot full of love  
(Shot full of love)

Hit me square between the thighs  
(Shot full of love)  
She said now stay right there, but I began to rise  
(Shot, shot)  
She said come on honey, I was D.O.A.  
(Shot full of love)  
Well I love the way she makes love that way  
(Shot, shot)

I'm in critical condition  
It's a very sticky situation

Shot full of love  
(Shot full of love)  
I been shot full of love  
(Shot full of love)  
Shot full of love  
(Shot full of love)  
Shot full of love

Shoot me

Ha-ha-ha  
Well yeah

High noon, she's in the street  
(Shot full of love)  
She said now don't you treat me like no piece of meat  
(Shot, shot)  
I said sorry honey, it was all in fun  
(Shot full of love)  
And that's when she shot me

I'm in critical condition  
And I'm going down, down, down

I've been  
(Shot full of love)  
Yeah  
(Shot full of love)  
Feels good  
(Shot full of love)  
Huh  
(Shot full of love)  
Good God  
(Shot full of love)  
Ha, ha  
(Shot full of love)  
I've been Shot full of love  
(Shot full of love)  
Owww  
(Shot full of love)  
Mercy above

(Shot)  
Well, well  
(Shot)  
I've been shot down  
(Shot)  
Pissed around  
(Shot)  
By love. You know it  
(Shot)

She's got her finger on the trigger  
And her hand on the gun  
Got my chambers loaded  
Gonna shot me down, down, down

Oh, I've been  
Shot  
Shot  
Full of love
