If I wrote it down in a song  
The love I had for you  
My heart would sing a melody  
Of love in perfect tune

Harmony's a kiss away  
It's returned in your eyes  
With tenderness and feeling  
Returned between the lies

Without you  
The nicest song is sung  
Without you  
I'm a day without the sun  
Without you  
Love will lose it's spell  
Without you  
I'm a ship without a sail

At the end of it, the rainbow  
There's a pot of gold, it's true  
That's why all the highways  
They always lead to you

All I have are simple words  
I give that cheers this song  
Won't you please think of me  
When the road it is to long

Without you  
The nicest song is sung  
Without you  
I'm a day without the sun  
Without you  
Love will lose it's spell  
Without you

Without you  
Nicest song is sung  
Without you  
I'm a day without the sun

Without you  
Love will lose it's spell  
Without you  
I'm a ship without a sail
