Get set for the rush, we're on the ascent  
Thrust ignite acceleration  
Pressure drop, it's only natural  
It draws the breath from your lung  
It draws the breath from your lung

Get set for the rush, we're on the ascent  
Thrust ignite acceleration  
Pressure drop, it's only natural  
It draws the breath from your lung  
It draws the breath from

In the air, in the air now  
In the air, in the air now  
In the air, in the air now

We can make this right  
We can work it out  
We can make this right  
We can conquer our fear of flying

Breathing normal, shaking stable  
Back on auto, under control  
So leave me to my own devices  
I'm losing time but making up ground

Get set for the rush, we're on the ascent  
Thrust ignite acceleration  
Pressure drop, it's only natural  
It draws the breath from your lung  
It draws the breath from your

In the air, in the air now  
In the air, in the air now

We can make this right  
We can work it out  
We can make this right  
We can conquer our fear of flying

It draws the breath out of me

In the air, in the air now  
In the air, in the air now  
In the air, in the air now

We can make this right  
We can work it out  
We can make this right  
We can conquer our fear of
