Clear the past, it's come to nothing
Start again from the end
Peel the skin, taste the inside
Take it all
Take it all
Decorate your skin
With the blood we she'd
Your simply now
Don't push it away
Decorate your heart
All the tears we she'd
Prove your idols wrong
Just push it away
Still the time, your blind
Prison dress doesn't go
Its all the same
We share the pudding
Say the word
Say the word
Decorate your skin
With the blood we she'd
Don't push it away
Dedicate your heart
Your simply now
Don't push it away
All the tears girls she'd
Prove your idols wrong
Its hard to tell
Whos the victim
Everyone is a slave
Its hard to find
Escape from freedom
Play the game
Play the game
Decorate your skin
With the blood we she'd
Your simply now
Don't push it away
Decorate your heart
All the tears we she'd
Prove your idols wrong
Don't push it away
