Under a blanket of fear  
Under a blanket of fear  
Down a bottomless pit  
Down a bottomless pit  
I've been waiting for this night  
I've been waiting for this night to open my eyes  
To open my eyes  
Wide awake I see in the dark  
Wide awake I see in the dark  
See the fences breaking apart  
See the fences breaking apart  
Get together with my old friends  
Get together with my old friends

Once again we breathe in the air  
Once again we breathe in the air  
Escape to somewhere far from nowhere  
Escape to somewhere far from nowhere  
Where the sky's been tainted red

Where the sky's been tainted  
Where the sky's been tainted red

Where the sky's been tainted..  
Up on a bank by a stream

Trading memories for dreams  
Up on a bank by a stream trading memories for  
dreams  
Fading echoes and pictures  
Fading echoes and pictures we burn at the seams  
We burn at the seams  
And now our wings are painted gold  
And now our wings are painted gold  
They'll make idols of us yet  
They'll make idols of us yet  
Empty promises they sold  
Empty promises they said  
Will reach their best before dates soon...  
Reach their best before dates soon

I can see it all

I can see it all (x4)
