Once more I get burned  
Once more I get burned  
Kick out the closed gate  
Kick out the closed gate  
Cos I'm ready to join the crowd  
Cos I'm ready to join the crowd  
And I'm ready  
And I'm ready  
To unlock the padlock on my mind  
To unlock the padlock on my mind  
Twisted and torn  
Twisted and torn  
Tensions that tear  
Tension that tear  
My will from my mind  
My will from my mind  
Reason from rhyme  
Reason from rhyme  
And I can't decide  
And I can't decide  
Which one to feed  
Which one to feed  
And which one to fight  
And which one to fight  
Once more I get scarred  
Once more I get scarred  
Break through the brick wall  
Break through the brick wall  
Just gather my thoughts and go  
Just gather my thoughts and go  
And I'm ready  
And I'm ready  
To pick up the pieces of my life  
To pick up the pieces of my life  
I wanna be out of sight  
I wanna be out of sight  
I wanna be out of mind  
I wanna be out of mind  
Can't seem to judge  
Can't seem to judge  
The distance between  
The distance between

My hands and feet  
My hands and feet  
Quite literally  
Quite literally  
Walk slow into the vacuum  
Walk slow into the vacuum  
This is the end of everything  
This is the end of everything  
Welcome back to the black hole  
Welcome back to the black hole  
Raise the shade up from your eyes  
Raise the shade up from your eyes  
And I'll be out of sight  
And I'll be out of sight  
And I'll be out of mind  
And I'll be out of mind
