tie the knot  
hang to dry  
pull the plug  
kill teh light  
celebrate your demise  
funeral of a god  
set to win from the start  
buy it back, the stolen dream  
back the plans, fall apart, hear the sounds  
drowning out, tired of this, cover up  
false demure, faith decides. make it up on the spot.  
make it til, you decide. coming down from the fence.  
i will be on your side, watch your spark fizzle out.  
tear the page and turn it back. set to wait, from the  
straights  
i address, moving on to the next. were you right?  
clocking out before the world...  
and i may be some time  
the last supply has run out - free for all  
Speed up, to catch up????  
feel the night, cut this down - the last suprise  
we have been, surrounded

[REPEAT ABOVE]

(echo) tie the knot, pull the plug, celebrate

start again,from the end. turn around, lets take it back?  
all the plans, all the time, all the hearts, all this space.  
feel the night, cut this down - the alst suprised

Layered: we have been surrounded,  
i cant take all the plans, all the time, all the hearts, all  
this space  
feel the night, cut this down - the last suprise

tie the knot  
hang to dry  
pull the plug  
kill teh light  
celebrate your demise  
funeral of a god

set to win from the start  
buy it back, the stolen dream  
back the plans, fall apart, hear the sounds  
drowning out, tired of this, cover up  
false demure, faith decides. make it up on the spot.
