Feat. Baghdad

[Sampled Woman]

Make the bubbles on the glass of champagne

[Chorus: Baghdad]

Champagne, follow me

Set them hot ass hoochies friend

Bump in here without no beer

Strip down to ya underwear

Champagne, how ya wit me

Party, get lovely

Pop ya cork, straight support

Can't woke up, BK, New York

[Baghdad]

Fill my cup, we drinks it up

Chardanay, to the wins, throw it up

By the fifth-fifties, Porgy picks it up

Dance nigga didn't rob me up, feel my burner next to
my nuts

How to sneak that in when it was broken

I told the bouncer it was used for strokin'

And he let me in, a chug-a-lug thug from Geriga

Order champagne, can't buy me love

Just Cali's and the Moet drown in the clutch

All in the ass like a rubber glove

Let ya ice wink to the champagne thing, fresh wine

Sellers spend much cream

Let's get this hoochie's staid, and make that coochie
thing

[Chorus: Hell Razah]

Champagne, by the bar

Shorties wanna drive my car

If it's a party up in here

Shorties shake ya derriere

Champagne by the sea

Shorty better follow me

In the back of the club in the Champagne Room

Drinkin' up in V.I.P.

[Hell Razah]

Let the bottles pop, models watch

Might get hit in the head wit the top

That's why I'm hot, that's why you're not

No hustlin' on my money spot, wreckage movin' by the

stock
Trade my chain for a glock, let me hear them bottles
pop
That Taffy Jay, that Pieron, shorty said "I'm very long"
Rockin' the red cranberry thong
Why a G, a GG, that champagne ain't not' to me
Crush grapes, we ductape, niggas that front wit a thug
face
Nigga
