"I'm The Shit"

Yeah, I'm the shit Remix (Whoo)
You know my Gucci sneakers is 500 man
My jeans is 1500
My shades, I can't even pronounce the name but they cost a grip too
Ruger

Jump out the red Lamborghini with my flag hangin'
Y'all niggaz standin' there hatin', wit' a cab waitin'
My doctor prescribed me money, I'm a cash patient
I'm down in Opa Locka, tanktop, mad Haitians
We burnin' the haze, you smellin' the cush
I know street niggaz with more money than President Bush
(Word) Yeah that's right, I said President Bush
Yeah, and they got a white house, so fiends get ya pipes out
Flyin' up Fordham Road, ya know I'm going more than gold
I'm the shit, I should get a iced-out toilet bowl
The feds got they eye on me, the hood gon' ride with me
I know them bricks is in that closet so don't lie to me
Put a bullet in my head, you see me snitch
Goddamn, niggaz don't wanna see me rich
Look at my wrist
Yes man, I'm gangsta to the core
I left but came back more gangsta than before
The troopers can't catch me if my pedal to the floor
I'm settling the score, I'm peddlin' the raw
I'm a general, I can show you my medals from a war
Shoot you through the peephole soon as you step up to the door
Call me Jigsaw, I wanna play a lil' game
Cut your hands off, give you a pen and tell you write your name
I don't want the hoe, but I can take his bitch
But I'ma do it anyway to show you I'm the shit

I'm the shit man, you see these flys chasin' me (Yeah)
I'm a hustler, you see these fiends pagin' me (Yeah)

I'm the shit man, you see these rappers hatin' me
I'm the shit man (What) I'm the shit man (What)
