YEEEEEA!

I mean I got to be the hardest, middle name concrete  
and shit like that, you know?

I mean thank you for the clapping, I know I'm hot, but  
you about to witness more greatness

Dipset Bitch, Welcome To Hell Rell!!!

[Hell Rell]

I got the metal pa', that's how I settle dram (drama)

Eyes "Jet Li" but I'm Afro-Ameri-can

I got a foreign bitch, sitting in the foreign whip

She don't speak English but she know how to slob a  
dick

Wrist crazy, neck retarded....yeah I'm flossing hard

Stepped my weight up, gave my own boss a job!

Yellow diamonds, looking like moron cars

Lawyer got in the ring what them cases afford 'em hard

Yeah he kept it real in jail, he a livewire

Hell Rell? That's the homey, official 5 rider

I'm the talk in all the hood's and every Barbershop

They say that boy go hard every bar is hot

So smoke ya haze cocksucker, take ya last drag

You about to die homo and you past fag

Crumble up ya rhymes, shoot 'em in the trash bag

AK's and bombs, my niggaz hood is Baghdad! (Weeks  
Block)

Now you see me in ya TV, stranger

And ya favorite rappers got me in his CD changer

I'm a general nigga, send ya greatest soldier

Uzi on the tour bus, please don't pull us over

I got weight, you need yay? I'm there

And ya bitch mad I won't let her braid my hair

I'm bout to cut that shit anyway, fuck that bitch anyway

Feds raided the spot, got another strip anyway

[Hook]

I'M POPPIN I'M POPPIN HE POPPIN

SO I MIGHT AS WELL PULL OUT THIS HAMMER

AND....POP IT OFF

IN THE CLUB AND YOU DRUNK AND YOU FRONTIN

IF I GOTTA TAKE THE SNEAKER OFF THEN NIGGA....I'M

I AIN'T NO TOUGH TONY, I AIN'T NO ROUGH RICKY  
BUT IF YOU FUCK WITH ME NIGGA....I'M POPPIN OFF

[Hell Rell]
