I don't have a lot of heroes that ain't the way for me  
Cause Jesus is the only one around that has proven  
what a hero should be  
I don't have a lot of money but even if I did  
I'd give it all away in a second if it got between me and  
him  
I wouldn't miss heaven for all of the world  
I wouldn't trade a moment with him for anything on  
earth  
No matter how picture perfect the world may seem I  
can see it for what it's worth  
I wouldn't miss heaven for all of the world

Seems there's always a distraction tryin' to spin me  
around

Stealin' me away from the everyday blessings of the  
here and now  
But I've made my decision my heart is set on home  
Gonna keep my eyes on the future and my feet on the  
same old road  
I wouldn't miss heaven...

There's no doubt about it temptation's gonna come my  
way  
But the pleasures of the moment can't compare to the  
joy I find  
Walkin' with my Lord every day  
No no I wouldn't miss heaven...  
I wouldn't miss heaven...
