Lights are turning off for me.  
I'm setting free my soul.  
My life is fading now I can't see.  
And now I have to goo...

All memories are coming back to my mind.  
All moments now are easy to find.

I can rest in peace, from all this.  
Now I leave my body, my spirit will set free.  
Family and friends, good- bye.  
Now I can rest in peace...

Now I got nobody, I'm dying alone.  
For the moment I'm closing my eyes.  
Now forever I'm gone.  
But every person dies.

They are all gone, now I'm coming with them.  
I dying like the other men.

I can rest in peace, from all this.  
Now I leave my body, my spirit will set free.  
Family and friends, good- bye.  
Now I can rest in peace...

I'm smiling to the sky.  
Now is my time to die.  
Good-Bye...

I can rest in peace, from all this.  
Now I leave my body, my spirit will set free.  
Family and friends, good- bye.  
Now I can rest in peace...

I can rest in peace, from all this.  
Now I leave my body, my spirit will set free.  
Family and friends, good- bye.  
Now I can rest in peace...

We came here alone.  
We will left alone.

I can rest in peace, from all this.  
Now I leave my body, my spirit will set free.  
Family and friends, good- bye.  
Now I can rest in peace...  
This is the last time I speak.  
The last time I sp-p-p... eak...

I can rest in peace, from all this.  
Now I leave my body, my spirit will set free.  
Family and friends, good- bye.  
Now I can rest in peace...
