Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

In the XX century, there lived a hypocrite man.
People call him the sandman, because he takes
children lives.

Ohho! Ohho! Blood in his hands!
Ohho! Ohho! Blood in his hands!
Ohho! Ohho! Blood in his hands!

He ended as a crazy, so he couldn't stop.
And the 6th day of the 6th month of 1966 the devil
came a take his soul.
He took the "Sandman" to hell, and will receive his
eternal punish.

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.
Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

Flames burned his feet, heat melt his face.
Pounds and pounds of children skulls walked to bite his
legs.
Demons laugh at him, he feel the suffer of their
victims, ha can't take the eternal pain in his soul.
He screams and asks for help!
But he knows he is walking in hell!

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.
Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

All he can see is all his blood, the pleasure of killing
now is gone.
Devil gives some pain, sandman pays his sins.

Ohho! Ohho! Blood in his hands!
Ohho! Ohho! Blood in his hands!

Ohho! Ohho! Blood in his hands!

Now he is just another dark soul, his memories is gone,
his life is just a past.

He is only a sinner.

He is just a brand new bleeder.

Bleeder! Sinner!

Bleeder! Sinner!

Bleeder! Sinner!

Bleeder! Sinner!

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

Ah!

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

Walking in Hell, breathing the fire, burning his feet,
there's not Stairway to Heaven for him.

Bleeder! Sinner!

Bleeder! Sinner!

Bleeder! Sinner!

Bleeder! Sinner!

He salute you in his golden crypt, but now he is walking
in hell.

Ah! Walking In Hell, Walking In Hell!
