Have you seen our world?
Pierced by too many swords
Doesn't breathe anymore
People are the sores
God, you forget
The evil on your back
You think it's going well
But here is worse than hell

Die, die!
Keep the rage for time of fighting
Die, die!
Time has come for rising
Die, die!
Break the cage to keep growing
Die, die!
No one ever stops our screamings

The king has lost his crown
World is falling down
I don't want to give in
Don't you hear the children's screams!
What have we done
We've put god in a bomb
Someone has gone away
Others still sing my song

Die, die!
Keep the rage for time of fighting
Die, die!
Time has come for rising
Die, die!
Break the cage to keep growing
Die, die!
No one ever stops our screaming

God, you forget
The evil on your back
You think it's going well
But here is worse than hell

Die, die!
Keep the rage for time of fighting
Die, die!
Time has come for rising
Die, die!
Break the cage to keep growing
Die, die!
No one ever stops our screaming
Keep the rage for time of fighting
Die, die!
Time has come for rising
Die, die!
Break the cage to keep growing
Die, die!
No one ever stops our screaming
