Black dresses and evil rings
I will be damned forever
Some scares and white white skin
Salvation will be never
You see on me
All the sins you have done
I look at your face
Burning under my black sun
Pretty people love the show
There's another god on cover

I'm just another rockstar
And it's all I wanna be
I'm just a fuckin' rockstar
Heavy-make-up-face on the tv
I'm just a little rockstar
Maybe the demon you wanna see

Violet drapes on the walls
I will be damned forever
There's my blood on the floor
Salvation will be never
One of my candles
Lights-up more than all your glitters
With my fuckin' screams
I'll make your world more more bitter
Pretty people love the show
There's another god on cover

I'm just another rockstar
And it's all I wanna be
I'm just a fuckin' rockstar
Heavy-make-up-face on the tv
I'm just a little rockstar
Maybe the demon you wanna see

Your heaven is a lie
Your heaven is a lie
Your heaven is a lie
Like my hell

I'm just another rockstar
And it's all I wanna be
I'm just a fuckin' rockstar
Heavy-make-up-face on the tv
I'm just a little rockstar
Maybe the demon you wanna see
