I'm mad, conveniently sad
By things I want and never had
And I'm pushin' but not too hard
This one-way ticket will get me quite far, yeah

Further into chaos with a one-track mind
I try to find myself girl but I'm just too hard to find
But I know, gotta go
Haven't got the information but there's one thing I know

Gotta go
Gotta show those damn fuckers that I ain't no fool

There ain't no time to stop and look back
I ain't got time, I rather attack
I'm in deep shit, baby but I'm takin' the piss
I tell ya' there just ain't no time
(Ain't no time)

There's no reason for me to choose
Eight ball livin' got nothin' to lose
Bloodshot eyes and my head's in a rush
It's a gin-and-tonic happiness, I'm sonically crushed

Fucked up shot down but I'm feeling alright
Feelin' fine, it's gonna be my way tonight
My hands are shakin' from the coffee, I had an hour
ago
All shook up from that goddamn snow
(Ahh)

Gotta go
Gotta show those damn fuckers that I ain't no fool

There ain't no time to stop and look back
I ain't got time, I rather attack
I'm in deep shit, baby but I'm takin' the piss
I tell ya' there just ain't no time
(Ain't no time)

There ain't no time to stop and look back
I ain't got time, I rather attack

I'm in deep shit baby but I'm takin' the piss
I tell ya' there just ain't no time
(No time)

Ain't no time
I ain't got time
I ain't got time
Ain't no time
