Through denials and stupid trials
I can't hide but I can run for miles
I know it's vain straight up insane
To a different drum against the grain

Nothing new
But I'll get through this time, yeah

Won't stop I'm gonna give it all I got

It don't seem right the more I fight
I lose my ground 'cause I get so uptight
The case I'm in I just can't win
As I get beat up and my head get kicked in

Nothing new
But I'll get through this time, yeah

Won't stop I'm gonna give it all I got
Won't stop I'm gonna give it all I got

I'm hitting low and way too slow
I need a change in this scenario
As was before straight to the core
Yeah, I'm sick of it but still want more

Nothing new
But I'll get through this time, yeah

Won't stop I'm gonna give it all I got
Won't stop I'm gonna give it all I got

I'm gonna give it, give it, give it all I got
Gonna give it, give it, give it all I got
I'm gonna give it, give it, give it all I got
Gonna give it, give it, give it all I got
