Huh!

Sweet little 16 is just getting sober
Trying to recover from a devils hangover yeah!
Says she's going straight, but she's just up around the
bend
That she'll go into rehab with the cash that mommy
sent on yeah!

She knew that bad guys they date tough chicks
That's how she got her habit and her ticks

You bore me!
You fucking bore me!
Yeah you bore me!
Yeah you're boring and you're not alone

Boo!

Says she will but you know she ain't

Thinks she's really cleaver but she only faint
Face to face with suicide
Fuckin' up every time oh yeah!

She knew that bad guys they date tough chicks
That's how she got her habit and her ticks
You bore me!
You fucking bore me!
Yeah you bore me!
Yeah you're boring and you're not alone

Wow!!!

Lookin' forty but she's twentysix
Will blow you for a fix
Lying bleedin' on the bathroom floor
Headin' for the final score

You bore me!
You fucking bore me!
Yeah you bore me!

Yeah you're boring and you're not alone
You bore me!
You fucking bore me!
Yeah you bore me!
Yeah you're boring
