Swallow up
And then go flush it down
Monday special
Get with the latest sound

So here's a treat
Go waste, it's sweetness on the desert air
Brand new sensation
To enjoy if you care

Hey, hey, hey now
But are you sure, it's what you're looking for
So c'mon, don't be late now
It won't be late before it's out the door

Toys and flavors
Season savior
C'mon devour
And cut the edges out

Baby
Hip young thing ain't hip no more
With eagle speed buzzards feed
On scrums off the fashion floor

Hey, hey, hey now
Well, are you sure, it's what you really need
So c'mon, don't be late now
It's a one hit guarantee

Toys and flavors
Season savior
C'mon devour
And cut the edges out

Hey, hey, hey now
But are you sure, it's what you're looking for
So c'mon, don't be late now
It won't be long before it's out the door

Toys and flavors
Season savior

C'mon devour
And cut the edges out

Toys and flavors
Season savior
