Sometimes I don't know where  
this dirty road is taking me  
Sometimes I can't even see the reason why  
I guess I keep on gamblin'  
Lots of booze and lots of ramblin'  
It's easier than just waitin' around to die

One time, friends, I had a ma  
I even had a pa  
He beat her with a belt once 'cause she cried  
She told him to take care of me  
She headed down to Tennessee  
It's easier than just waitin' around to die

I came of age and I found a girl  
in a Tuscaloosa bar  
She cleaned me out and hit it on the sly  
I tried to kill the pain, bought some wine  
and hopped a train  
It's easier than just waitin' around to die

A friend said he knew  
where some easy money was  
We robbed a man, and brother did we fly  
The posse caught up with me  
and drug me back to Muskogee  
It's two long years just waitin' around to die

Now I'm out of prison  
I got me a friend at last  
He don't drink or cheat or steal or lie  
His name is Codine  
He's the nicest thing I've seen  
Together we're gonna wait around and die  
Together we're gonna wait around and die
