It happened for real
We cut a deal
"Carry the dirty work
And you're in the clear" they say
"No one will claim you here
If you disappear
They're waiting for you
On the Hollywood hill"

Okay for me as long as I'm allowed to kill
Ak? He's already missing the field
"The meeting is here, on the shore
A truck will be waiting, loaded with C4"

BLACK-OP, BLACK-OP
Out there you're all alone
BLACK-OP, BLACK- OP
You are on your own
BLACK-OP, BLACK-OP
Out there you're all alone
BLACK-OP, BLACK-OP
We live in a war zone

Who is gonna pay for all your mistakes
At the end of the day?
We've been betrayed
And everything is fading to gray
All that remains is
A tear on the grave
On the grave

They'll be expecting a move
And they're gonna be a bunch
We don't really care we eat these pussies for lunch
No backup plan this time,
Killing bad guys, I don't know what you think, but it ain't
really a crime

You heard what they said, we're gonna be alone
Something goes wrong we must clear the zone
I'm bringing with us a couple of hellfire's

No such thing as "enough firepower"

BLACK-OP, BLACK-OP
Out there you're all alone
BLACK-OP, BLACK- OP
You are on your own
BLACK-OP, BLACK-OP
Out there you're all alone
BLACK-OP, BLACK-OP
We live in a war zone

Who is gonna pay for all your mistakes
At the end of the day?
We've been betrayed
And everything is fading to gray
All that remains is
A tear on the grave
On the grave
