It's all about the money in the music scene
Managers, labels and magazines
They don't know you unless they see
You got some cash to spend to be
On rotation on MTV
MTV? Are you shitting me?
You got to pay if you wanna be
Someone people care to see
This is how the crappy bands
Are all over your tv screen
Man get out of my sight
I'm gonna kill someone tonight

HFS got on the stage
Time for you to get the fuck out of the way
HFS is here tonight
And you don't want us to pick up a fight

Other bands are hating me
Because I'm dissing 'em publicly
"HFS they are so mean
Talking shit about my scene"

Hey "Me, obscene"
Stop dressing up like's Halloween
Cut that beat you laptop freak
See, we're tired to hear that shit
Now do us a favor and go back in the cage
'Cause HFS got on the stage

HFS got on the stage
Time for you to get the fuck out of the way
HFS is here tonight
And you don't want us to pick up a fight

You make shitty music and all that stuff
And then you brag about this and that
With who you are, people you fuck
Man... shut the fuck up

HFS got on the stage

Time for you to get the fuck out of the way
HFS is here tonight
And you don't want us to pick up a fight
