What have i done?  
I've cracked the wings with my hands  
the picture is melting down  
in vain, i try to paint it again

But this time it's too late  
my dream has gone away  
too late for anything  
anythg, but you're still inside of me

No one understands

all my words lost at the end  
how can it be this way?  
The dead are bleeding like the life

But this time it's too late  
my dream has gone away  
too late for anything  
anythg, but you're still inside of me
