I never thought that everything would end that fast  
I never thought that you where down  
you always told me to slow down and stay at home  
but I never listen to your mind  
I never asked you really  
just how you felt  
I guess I were lost inside myself  
deep inside an endless dream

falling in a hole  
realize my life is running down the drain  
hear the fools above  
laughing at my life

hey, hey, hey  
I live against the grain  
yeah  
am I just insane

I've tried to tell myself to stop and realize  
I can't go on with what I'm doing  
but everytime I ask myself the reason why  
I never seem to find the answer

falling in a hole  
realize my life is running down the drain  
hear the fools above  
laughing at my life

hey, hey, hey  
I live against the grain  
yeah  
am I just insane

falling in a hole  
realize my life is running down the drain  
hear the fools above  
laughing at my life

hey, hey, hey  
I live against the grain

yeah  
am I just insane
